

## **Thank you for enquiring about showing at Five Walls Projects**

We are now is now accepting proposal for **ARCADE** to exhibit in 2018 (February to December).

**Five Walls Projects** continues to welcome applications from artists, groups and curators alike.

When submitting your proposal please observe the following preferred layout:

**Cover Sheet:** Include your name, mobile number, and email address. Please provide all names in group/collaborative proposal applications. Please list your preferred month to exhibit.

**Proposal:** A brief outline of the main ideas/concepts informing your wider artistic practice and how these concepts might be developed/explored within your proposed exhibition at ARCADE. (Maximum 300 words).

**Exhibition Description:** A brief and technical description of how you envisage the work might be installed. If there are any special requirements in terms of installation or equipment, mention them here. Be as specific as you can, but it doesn't matter if changes occur later. We encourage continual development of the proposal rather than a 'lock-down' of your ideas and thoughts regarding the exhibition. (Maximum 300 words).

**CV or Biography:** (one page max)

**Visual Material DVD/CD** (Maximum 10 images individual/ 20 images group) OR .mov file/DVD rom max. 5 min duration). Please do not send original materials. If you wish your materials to be returned, include an appropriately sized stamped self-addressed envelope with your application. Material will not return material unless this is provided.

**Description of Visual Material:** Include name, title, year and materials.

**Cost:** The cost of exhibiting is:

**Arcade:** \$400 (both windows)

All shows three weeks in length with the opening on the first evening of the show.

- Five Walls Projects will invigilate your show, however we recommend that artists sit one Saturday during their show.
- Assistance will be given with install and deinstall of each show.
- Arcade has some equipment available free of charge, including a projector, 42" LED screen, a media player, audio speakers etc

Please allow up to 4 weeks from submission to receive a reply.
